A MESSAGE FROM CHIEF PHARO

Welcome to the first annual report of the SHPD that I have had the privilege to present as Chief of Police. I am proud of all that our Officers and civilian staff has accomplished this year, and to serve as the leader of this department.

This year brought some major changes to the SHPD. Chief Chapin left SHPD to become Chief of Police in McFarland, WI and I was selected to replace him. I am very thankful to all who were involved with the process of hiring the new Chief of the SHPD, and to all who have welcomed me and supported us in this new chapter.

I was happy to promote Sgt. Jaime Weitzel to Lieutenant, and PO Nick Dodsworth to Sergeant. They both are great leaders and are doing a fantastic job.

In 2021 we had almost complete turnover in our Police Officers, and we welcomed two great Officers to our team. PO Bobbi Brown and PO Jamison Hoff are both experienced Officers and we are lucky to have them.

Harun Gurel joined us as our Community Service Officer and has excelled in his role.

Early in the year, Marty Davis who was our Administrative Assistant and Court Clerk retired, and Nick Bybee changed roles from CSO to Administrative Assistant. Nick has been fantastic in that role, has taken on additional responsibilities, and improved systems to keep our operations running smoothly.

COVID continued to challenge us in 2021, impacting our operations and opportunities for community engagement, however, we effectively worked through things. Fortunately, with vaccinations, education, and some procedural changes, we have been able to increase some of our services and proactive policing efforts. Like all, we hope to continue to return to normal, get back out with people, and enjoy the many relationships that have suffered the last couple of years.

This report includes information on the training that SHPD Officers received, special events we participated in, a review of notable calls for service, the required annual reports on complaints, bias-based policing, use of force, and squad car crashes, and a review of call statistics for 2021.

Thank you for your continued support of the SHPD, and of our community, as well as taking the time to review this report. If you don't already follow our social media or web site, I encourage you to do so. Sign up for Nixle alerts so you can remain informed on important SHPD and community news.

In service,

INSERVICE TRAININGS

Shorewood Hills PD conducts training in coordination with the University of Madison Police Department, these trainings are called in-service, we spend time updating our tactics and practicing skills needed to be effective officers. The State of Wisconsin Training and Standards Bureau requires Law Enforcement Officers to attend 24 hours of continued education or training during a calendar year. In 2021 our officers participated in 40 hours of in-service training, far exceeding the minimum.

Each in-service consists of different training topics, with the primary topics being firearms, defensive and arrest tactics, emergency vehicle operation course and active killer training.

Other areas of training included CPR, Naloxone (Narcan), electronic control devices, racial equality, diversity, ethics, and implicit bias training.

This year SHPD and UWPD placed additional focus on de-escalation training. We participated in eight hours of Integrating Communications Assessment and Tactics (ICAT) through scenario-based training, mental health training and wellness officers are provided with the skills, tools, and options they need to successfully defuse a range of critical incidents.

SPECIAL EVENTS

4TH OF JULY FIREWORKS

Because of Covid-19, the annual fireworks celebration was postponed in 2020. In 2021, we were lucky enough to have them, although not without some logistical issues. Because Madison Sewer District was in the process of installing a new sewer along the bike path by the Blackhawk Country Club, this created several issues which impacted the flow of pedestrian traffic and access points into the Blackhawk Country Club.

Officers worked around the clock with the Blackhawk Country Club, Madison Sewer District and Department of Public Works to ensure everyone had safe access to the golf course grounds.

PRESCRIPTION DRUG TAKE BACK AND MED DROP BOX

The Shorewood Hills Police Department has partnered with Safe Communities to dispose of unused or unwanted medications, which often find their way into the wrong hands.

Shorewood Hills PD participates in the drug take back event every year. This year alone, a total of 57,377 pounds of unwanted medications was collected during the drug take back event in Wisconsin.

If you cannot make it to the drug take back events, do not worry, we have a permanent med drop box in our lobby

Wisconsin Attorney General Josh Kaul joined Shorewood Hills Officers during their drug take back event held in October 2021.

SHPD officers also volunteer with Shop with a Cop. We are happy to be a part of a fantastic community and looking forward to the upcoming year.

SHOREWOOD HILLS LAW ENFORCEMENT ASSOCIATION (SHLEA)

The Shorewood Hills Law Enforcement Association (SHLEA) is a charitable non-profit 501(C)(3) organization founded in 2001.
